- Times:

- We'll kick off our weekend together at 4:00 p.m. Friday and finish by 4:00 p.m. Saturday.
- At the end of this document you will find a general schedule for the weekend.

- **What is the LSTU Leadership Retreat?**

This event will kick off the 2011 LSTU year. One of our primary goals this weekend is to deepen our relationship with you as we work together over the next year.

- **Who Should Attend?**

This leadership event is for anyone in your campus ministry who will be helping lead, recruit, and/or train LST teams in the next year. Staff, faculty, campus ministers, interns, and students from your campus and church are welcome!

- **How Much Does It Cost?**

Other than the small registration fee, there is no cost to you. LST will provide all of your materials, dinner on Friday, and breakfast/lunch on Saturday.

- **What About Transportation?**

If you'll get to the Retreat site, we'll take care of you! We don't currently have plans to run regular shuttles to/from nearby airports, but if you have a specific need please let us know. We may be able to connect you with others who are arriving at the same time and have their own transportation. Regardless, we'll take care of you!

Preparation for your LST Weekend

1. Your School/Ministry Calendar

Please bring a detailed copy of your school and ministry calendar so we can schedule fall recruiting sessions and other important 2011 project dates.

2. Wi-Fi

We're hoping you'll be able to come to the Retreat virtually "unplugged" and undistracted. However, our understanding is that there will be wireless available in our section of the camp.

3. Materials

Leave some room in your luggage for materials we'll be giving you for the Fall. Training materials for your teams will be given out later in the year.

4. Resource Guest

Scott Adair teaches in the Youth and Family Ministry department at Harding University. Scott's talk at a recent missions conference convinced us that he would be a great resource for anyone ministering to and with college students!

5. Camp Site Logistics

- a. Bring your own bedding (the camp site does not provide any)
- b. You'll need the code "7578" to enter/exit the camp
- c. We have a swimming pool reserved for our mid-day break on Saturday. Bring a swimming suit if you want to get wet!
